

Layaway Agreement

iDEAL Furniture Green Bay is happy to accommodate purchases of more than \$250 with our layaway plan. We require a 20% non-refundable deposit for a purchase to be eligible for layaway.

Items may be held on layaway for a maximum of 90 days unless otherwise arranged with our sales team.

If the item is not fully paid and picked up after 90 days, a \$100 surcharge will be added to your balance. If the item is not fully paid after 120 days, you will forfeit your item and all payments.

In order to ensure that your item is ready for pickup we ask for 24 hours' notice to pull your layaway from our warehouse for pickup. If prior notice is not given, we cannot guarantee that your item will be ready for pickup. We reserve the right to keep your item out in our showroom for display during the layaway period.
